

VFW Magazine is Going Digital

VFW magazine will be moving to a new schedule beginning in 2024. Starting with the January issue, VFW will begin a gradual process to transition the magazine to a digital-only publication by 2028.

Currently, VFW publishes and mails 10 issues of VFW magazine each year to all VFW members and VFW magazine subscribers. Beginning in January 2024, six of those issues will be printed and mailed. The other four issues will be digital issues available on VFW's website. We will send you an email with a link to the digital issue.

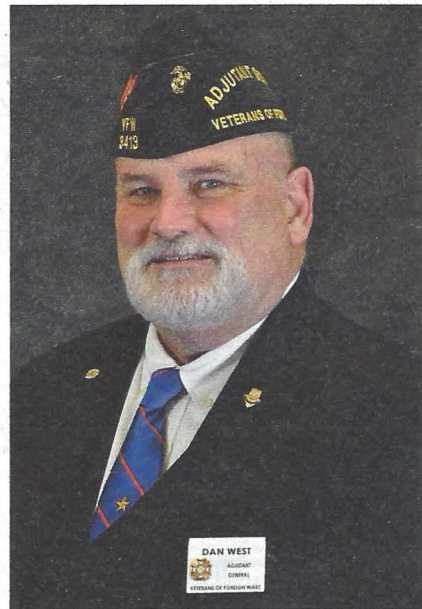

We want to make sure that VFW members don't miss out on any digital content, so we need verified email addresses.

To make this as easy as possible for all VFW magazine readers, we have created a QR code that, when scanned, will direct the person to VFW's Online Membership System (OMS) so that an email address can be added or updated as needed.

However, we understand that a printed VFW magazine is important to many of our members, so VFW will accommodate those who want to continue receiving a printed version of those digital issues through the end of 2027. If you want to receive a printed version of every issue, you will need to notify us by Oct. 1, 2023.

To do so, you can call VFW's Member Service Center at 1-833-839-8387 or write to: Member Service Center, VFW, 406 West 34th Street, Kansas City, MO, 64111.

MAKE SURE YOU GET ALL YOUR DIGITAL CONTENT

VFW wants to ensure that you receive all content we provide you as a VFW member. Benefits of our digital issues include videos, additional content not found in the print version, as well as direct links to important email addresses and advertisers.

To help you receive this additional content, VFW will send you an email notice that the digital issue is available. Obviously, we will need correct and updated email addresses for all our members.

Please scan the QR code on this page to direct you to VFW's OMS site. You also can call or write to our Member Service Center (see above).

We want to make your VFW magazine more interactive to offer you more features you can access from your computer or smartphone. Help us help you by providing a current email address.
